Italian Trade Agency - ITA

TRADE AND INVESTMENT

OPEN DOORS TO A WORLD
OF OPPORTUNITIES

ITA - Italian Trade Agency is the Governmental agency that supports the business development of our companies abroad and promotes the attraction of foreign investment in Italy. With a motivated and modern organization and a widespread network of overseas offices, ITA provides information, assistance, consulting, promotion and training to Italian small and medium-sized businesses. Using the most modern multi-channel promotion and communication tools, it acts to assert the excellence of Made in Italy in the world.

FIND YOUR ITALIAN PARTNER

ITA - Italian Trade Agency supports the business development of Italian companies abroad, increases business opportunities, improves the image of 'Made in Italy', promotes industrial collaboration and foreign investment in Italy. Find your Italian partner is a business directory with virtual showcases of Made in Italy companies. We offer you an overview of Italian businesses, including company profiles, products images and details, website, business proposals and contact information. Foreign companies or agent interested in Italian products or looking for partnership with Italian companies, can access the database with the profiles, searchable by sector or product, and find a business partner.

Sistema Moda Italia

Sistema Moda Italia, Italian Textile and Fashion Federation, is the western Countries' largest Organizations representing the Textile and Fashion Industry.

The Federation aims to protect and promote the interest of the sector and its members, representing the entire supply chain at a national and international level and vis-à-vis institutions, administrations, economic, political, social and labour organizations.

SMI helps the Industry to solve problems regarding production, technical and legal aspects, economic and commercial issues and assists associated companies in activities connected to promotion and internationalization. SMI represents a sector that, with over 370.000 employees and

more than 43.000 companies, makes up a considerable part of Italian manufacturing and economy. Sistema Moda Italia groups its members into sections which cover the entire fashion pipeline.

SMI is a member of Confindustria and it is the most important founding member of Euratex, the European Association of Textile and Clothing Manufacturers.

Confindustria Moda

Confindustria Moda brings together the member companies of Assocalzaturifici, Assopellettieri, AIP (Italian Fur Association) and UNIC (Italian Tanneries) and is the only national association that represents the entire production chain of the 4 sectors of the leather industry (leather, bags, shoes, leatherwear and furs) in its relations with Italian and International institutions, stakeholders and the press. It assists companies in legal aspects, market studies and promotion, and accompanies them on B2B missions to the various markets.

Confindustria Moda represents a supply chain that - with 11,500 companies, 150,000 employees and an annual turnover of 33 billion euros (2023) - produces fashion accessories appreciated by consumers all over the world, reflecting a consolidation of the industry after the post-pandemic recovery and a gradual recovery of domestic production.

Confindustria Moda - Federazione Italiana Tessile, Moda e Accessorio

www.confindustriamoda.it

ANFAO - Italian Association of Optical Goods Manufacturers

ANFAO, the National Association of Optical Goods Manufacturers has over 130 member companies and brings together all the major Italian eyewear companies of the entire production chain.

The Association was founded in Milano in 1954 to support, promote and look after the interests of the eyewear industry in Italy and worldwide.

The ultimate goal of all activities is the growth of the sector at 360°. The mission promoted by the ANFAO System is implemented through the strengthening of business relations with institutions, the representation and protection of the category

at economic and trade union level, the supporting the internationalisation of member companies, the organisation of MIDO, the world's leading trade fair, the investment in training, the promotion of innovation, and the enhancement of the sector's image.

ATHISON

Athison is a brand of Manifattura di Domodossola, world leader company established in 1913 and specialized in the production of premium quality braided materials. Our bags and belts collection is the result of technology, traditions and fine raw materials. All the processes are done internally in order to guarantee a product 100% Made in Italy.

Over hundred years of expertise and handcraft traditions wisely combined with the latest technologies. A celebration of colours marries sustainability and attention to the environment. Only the best hides, deep dyed into water based tinctures, and beautifully woven with potato starch waxed cotton threads.

GIORGIO LENTINI

The designer Giorgio Lentini, after different collaborations with important Italian fashion brands (Bottega Veneta, Byblos, Borbonese), decided in 2007 to start producing his collection with his name for a trendy and sophisticated woman.

The design of the bags is based on the complex interaction between cuts and proportions, this creates a visual effect that makes the bags unique and original while remaining sophisticated.

Giorgio Lentini's intent is to create prestigious and avant-garde bags by balancing functionality and aesthetics, enhancing the beauty and purity of the leathers used.

LUCREZIA MARIA MONACA

The brand was founded with the purpose to satisfy a market need: elegant shoes with a contemporary twist. It focuses on high-end market with the spirit of creating not just a shoe but a piece of art thrilling at first sight and adapting perfectly to any foot shape.

The brand was founded at the end of 2014 as an opportunity to combine Lucrezia Maria Monaca studies and the world of luxury with the purpose to satisfy a market need: elegant shoes with a contemporary twist.

It focuses on the high-end market with the spirit of creating not just a shoe but a piece of art thrilling at first sight and adapting perfectly to any foot shape.

The quality is very high; maximum attention is paid to the materials used, all of high quality, and to the samples production.

MARIA SAPIO KNITCOUTURE

Maria Sapio was born in Italy and grew up in Germany, developing a rich and multifaceted personality through the combined influence of the two cultures.

At the end of her studies in Fashion and Knit Design at Polimoda in Florence, she involved her experience through collaborations with numerous companies in knitwear and yarn industries.

After many years spent exploring and innovating in the art of knitwear trends, in 2018 Maria Sapio presented her first KnitCouture collection at White show in Milan.

The raw materials used are totally sustainable and obtained with respect for animals and the workmanship follows an ethic that focuses on experience and Italian know-how.
